Take notes — lots of notes if you'd like. Then, study them and keep them handy for the test. Spoiler alert: The AHIP test is an open-book test, so you can actually refer to your notes (and the modules themselves) while taking the test! If you can, print a physical copy of the modules or at least the modules you had more trouble with. But, be warned: There are five different modules and some modules have more than 112 pages. If you're on your second or third attempt and have a lot of ...
