Alchemy Medicine Religion China Ad

In the China of the 4th century A.D., alchemy, medicine, and religion were so closely interrelated as to form a single study; the Western gap between science and religion, and between scholarly study and moral practice did not obtain. This work, in effect, is a compendium of the state of knowledge and the mode of life open to the initiated in Ko Hung's time. In particular, it recounts the actual ways of Taoism as they have existed until fairly recent times - and it has been a prime ...
