Aloka SSD-3500 - Welcome to Life Care Medical Equipment

The ALOKA ProSound ultrasound is an excellent midrange system, designed with digital front-end technologies for the more sophisticated systems of its series. It has been developed for high-precision radiology and musculoskeletal ultrasound imaging. The ProSound 3500 is vastly preferred by specialists for its outstanding ease of use, super high-resolution, digital imaging mechanism, and flexibility of being paired with an exhaustive line of specialty transducers for the best diagnostics.
