Founded in 1984 by Ronald Altoon and James Porter, Altoon + Porter has sustained its growth through all economic cycles with a clear adherence to its core values. Commitment to respond to context, to create community and to serve its client's investment or institutional goals has resulted in a significant portfolio. Projects vary widely, and include mixed-use, retail, office, institutional and transit-related. Altoon + Porter's work is informed by a design philosophy that respects context ...

Altoon + Porter Architects LLP - Company Profile and News ...

Commissioned by the publisher, Altoon + Porter Architects | Designing the World's Best Retail Centers documents several prototypes of retail buildings and environments created by the Altoon firm. As international experts in the transformation of the building type to better support community engagement it identifies differences and similarities of the retail offer while demonstrating the depth and breadth of design expression. The projects are structured by category—regional malls ...

Altoon + Porter Architects - SWA Group

Context is many factors - culture, climate, building technology, urbanism - working together as a system. Altoon + Porter's contextualism is sometimes quiet, sometimes loud, but always appropriate, despite many diverse locations and project types." "Altoon + Porter treats context as an approach to the entire set of design problems.

Aujourd'hui, l'obtention du diplôme d'architecte ne suffit pas à donner une compétence en urbanisme. Inversement, les études d'urbanisme ne forment pas à la conception formelle (urban design et landscape architecture). Face à ce constat, le DSA d'architecte-urbaniste de l'École d'architecture de la ville & des territoires offre une formation à visée professionnelle, destinée ...
