### **American Political Dictionary Plano Jack**

I bought The American Political Dictionary by Plano and Greenburg for an Hispanic friend who didn't know the difference between the House of Representative and the Senate. I was surprised that the book had a least doubled in length since I taught in 1973, and the text was arranged by topic with a glossary to find terms instead of having all the entries arranged in alphabetical order. My amigo ...

### **The American Political Dictionary: Plano, Jack, Greenberg ...**

Much more than a dictionary, the comprehensive information provided for each term qualifies The American Political Dictionary as a reference book. Professor Plano's extensive experience in writing political dictionaries is evident in this scholarly, interpretive edition.
