An Introduction To Judaism

Praise for the first edition: 'Nicholas de Lange has produced an excellent introduction to Judaism, which will doubtless become a standard textbook for undergraduate students. It is not an easy task to write a popular work, which does not err on the side of superficiality, but de Lange has written a lucid and impressive work. This book is one of the best short one volume works on the subject of Judaism to the knowledge of this reviewer.' CCJJ

In this book contemporary Judaism is presented in all its rich diversity, including both traditional and modern theologies as well as secular forms of Jewish identity. While the focus of the book is on developments that have taken place in the past two hundred years, they are set against a historical background, going back to the Bible. Beginning with a description of the Jewish people as it exists in today's world, it studies the unique concept of Jewish peoplehood and its survival over the ...

An Introduction to Judaism by Nicholas de Lange

In his book, "An Introduction to Judaism", Dr. Nicholas de Lange provided a quick insight into the religion and its followers. I observed that he designed this book for people who have little or no time to invest on voluminous texts. The numerous illustrations he used to demystify ancient concepts like Zionism and Diaspora are of great value; although that anybody who is familiar with his earlier works, like the "Atlas of the Jewish World and Jews", would not be too amazed.

Ich hab das Buch "An introduction to Judaism" gekauft und gelesen. Das Buch ist zwar authentisch, aber nicht für Anfänger. Der Autor erzählt das Leid der Juden (z.B. aus dem Jahre 1492) aus Spanien, aber er verheimlicht, dass die Muslime ebenfalls auch Spanien, die dort 700 Jahre waren, wurden im Jahre 1492 aus Spanien herausgeschmissen.
