Amazon.fr - Ancient Turkey: A Traveller's History of ...

This relatively brief book tracks the history of Turkey from Neolithic times through Paul's journeys in early AD, complete with descriptions and photographs of some of the most interesting locations. It was my first contact with this subject, and so particularly interesting. It's somewhat embarrassing to have reached this age, think of myself as reasonably educated, and yet still find a general knowledge subject about which I know so little. Oh, well. Anyway, this is a good primer ...

Ancient Turkey: A Traveller's History by Seton Lloyd

Seton Lloyd's lively account of Turkey's early history is for the ever-increasing number of people visiting the ancient sites of this fabled land. Written by an archaeologist who has spent much of his life in the Near East, the book is not a conventional "guide" to the antiquities of Anatolia, nor is it a textbook. It is instead Lloyd's attempt to share his profound interest in an antique land ...

Ancient Turkey: A Traveller's History book by Seton Lloyd

The history of Turkey, understood as the history of the region now forming the territory of the Republic of Turkey, includes the history of both Anatolia and Eastern Thrace. For times predating the Ottoman period, a distinction must be made between the history of the Turkic peoples, and the history of the territories now forming the Republic of Turkey, essentially the histories of ancient Anatolia and Thrace. The name Turkey is derived from Middle Latin Turchia, i.e. the "land of ...

History of Turkey - Wikipedia

Lloyd traces the many different cultures that have been a part of Turkey from prehistoric times to the Christian era. He recounts the exploits of the Hittite kings, the confrontation of Croesus and the Persian king Cyrus, the conquests of Alexander the Great, and Mithridates' epic resistance against Rome. Archaeological landmarks discussed include the discovery of the Alaca Hüyük tombs, the attempts to establish the location of Troy, and the opening of the Tomb of Midas. Lloyd shows how ...
