I don't have any idea about the solutions, but you can search it on the internet question by question.

Where can I find complete solutions of ANSI C by E ...

The result is the ANSI standard for C. The standard formalizes constructions that were hinted but not described in the first edition, particularly structure assignment and enumerations. It provides a new form of function declaration that permits cross-checking of definition with use. It specifies a standard library, with an extensive set of functions for performing input and output, memory ...
