THINKING IT OVER

(1) Americans should do something for their country. More specifically, they should commit themselves to the protection of human rights; the defense of freedom; the struggle against tyranny, poverty, disease, and war itself.
(2) The Torch of Freedom. This image recalls the Statue of Liberty as well as the relay of runners (Kennedy's successive generations) carrying the torch from Greece to the site of modern Olympia. It also stands for the responsibility of new leaders (citizens) to fight for American ideals.
(3) The Call to Battle, with military and biblical associations. Kennedy means that Americans are still called to struggle for what they believe in.

Jo would not stand out as odd because now short hair and unusual styles are much more common. They would disapprove of statements such as "Short hair is boyish" and "Oh, Jo, how could you—your own vanity."
(2) It shows the depth of her devotion to him.
