# Applying The Roper Logan Tierney Model In Practice 2nd Edition

## [Applying The Roper Logan Tierney](#)

### **Applying The Roper Logan Tierney**

New edition of a successful textbook which demonstrates the theory and practice of one of the most popular models of nursing. Karen Holland, Jane Jenkins and their colleagues carefully explain and explore how the Roper-Logan-Tierney Model can help today's student learn how to care for patients in a variety of health care contexts and use it as a framework for their nursing practice.

The aim of this essay is to demonstrate the assessment process of a patient using the Roper Logan and Tierney (RLT) model of nursing framework and to show how the nursing process works alongside this model. This will be shown by a holistic history of the patient being shown, followed by how the RLT model is applicable to this patient.
