### **ARRL :: ARRL Handbook**

The 2010 handbook differs from prior yearly editions in not recycling massive amounts of the same old material or cut-and-pasting work out of QST. This 2010 edition also shows better production and editing attention than some recent ARRL publications. If you don't own a handbook, but do maintain a passion, temperament, or inclination to use amateur radio, and if you possess the cash to comfortably do so, no question about it, you should get a copy of this book. If you are a ham and have one ...
