Veà Vecchi's book 'Art and creativity in Reggio Emilia: Exploring the role and potential of ateliers in early childhood education?' shares key ideas around the role of art and creativity in the Reggio Emilia education philosophy. Veà was an atelierista (a teacher with an art background) who worked in a Reggio Emilia kindergarten for over 30 years.

Creativity and children's art studios in Reggio Emilia

Art in a Reggio environment should be an interpretation of an experience, not a copy of other's ideas or suggestions. Art should be treated as an expression of the child's current understandings, rather than a representation of an object. This perspective makes art a tool for making meaning. Art media is just that, a tool to help children make their ideas, thoughts, theories, and perspectives visible and to construct a new understanding of the subject.
