Asimov's Chronology of Science & Discovery: Updated and ...

Asimov's Chronology of Science and Discovery is a fascinating compendium of ALL human discovery since the beginning of human society. While this may sound like a standard reference book, it is far more than that. Asimov organizes the entire book by year with a very comprehensive index. He managed to bring humor and candor, brevity and comprehensiveness, to the history of all human ingenuity in a way that causes the reader to suddenly discover that he/she has been reading for far ...
