Tens of thousands of years of ice is melting, and the land of Assail, long a byword for menace and inaccessibility, is at last yielding its secrets. Tales of gold discovered in the region's north circulate in every waterfront dive and sailor's tavern, and now countless adventurers and fortune-seekers have set sail in search of riches. All these adventures have to guide them are legends and garbled tales of the dangers that lie in wait -- hostile coasts, fields of ice, impassable ...

A place where one human killed an entire army of T' Lan Imas. Where entire armies T Lan Imass were headed to fight in this war. That was the build up to the book of Assail. The book Assail, was none of that. From no where pirates and cut throats from everywhere come to this continent and were killing the people of Assail like they were dogs. Where a woman named mist had two boys come out banging the floors trying to scare people like Bam Bam from the Fred Flint stones. There was a ...
