Assessing English Language Learners Bridges To Educational Equity Connecting Academic Language Proficiency To Student Achievement

[Assessing English Language Learners Bridges](#)

Assessing English Language Learners Bridges

Build the bridges for English language learners to reach success! Ten years ago, the first edition of Margo Gottlieb's *Assessing English Language Learners* changed the dialogue about how educators envision educational equity for students. Since then, the ELL and dual language student populations have grown exponentially, and so has the need for forward-thinking and effective approaches to facilitating students' academic language development alongside their content knowledge.
