Instructor's Guide for Virtual Astronomy Laboratories

We were frustrated by the lack of suitable materials for teaching the lab component of the course. We decided that we could write more appropriate materials for our students rather than wait for the large publishers to produce them. With that motivation we created Astronomy Through Practical Investigations (ATPI). We tried to get publishers to produce the materials BUT none were interested in producing them in the modular format that we felt was so important. We introduced the approach of ...
