### Compustar | Remote Starters | Security Systems | Car Alarms

Compustar systems detect all forms of intrusion and motor-theft: glass-break, impact, tilt, and movement. Two-Way Alarm Alerts If your shock sensors or alarm are triggered, you'll instantly be alerted via your Compustar 2-way remote.

### Compustar Vehicle Security & Car Alarms | Protect Your Vehicle

When it comes to auto theft, prevention is key. Compustar is not a predictable, cookie cutter car alarm. It's a highly customizable system that you can adjust according to your car security needs. We provide you with powerful hardware that deters car theft, 2-way communication with the vehicle, and advanced car security alerts. About Compustar

### About Car Alarms & Vehicle Security | Compustar

Compustar. Home of the original 2-way, Compustar remotes have established a name for reliability and ease of use. All models listed feature remote start, keyless entry (if equipped) and trunk pop (if equipped and compatible), and can be optioned as a starter only or add on an alarm for extra security. LCD screen remotes feature alarm alerts that will page the remote if equipped with add-on alarm and your vehicle gets bumped or tampered with.

### Compustar — Advance Auto Security Mobile Ltd

Car security systems are more than car alarms these days. With Compustar, you build the vehicle security system that works for your specific car. Here's how to choose the best car security system. Assess Your Vehicle Security Needs The best car security system is the one that suits your needs. That's why all of our systems are fully customizable. When shopping for a car security system, start with a basic needs assessment. Here are the questions we suggest you answer:
