### **Autumn Lightning The Education of an American Samurai ...**

Autumn Lightning is one of these. The book is partly a story of Lowry's own early studies in kenjutsu as a young man, and partly a story of the development of the style in which he studied. But this is not just an interesting book on martial arts; it is a simple good story, thoughtfully and skillfully written, and something about it keeps making me come

### **Autumn Lightning: The Education of an American Samurai by ...**

`Autumn Lightning' is another well written book by Dave Lowry that explores the history of the Yagyu Shinkage Ryu, as well as his own start in martial arts. Each chapter alternates between life in feudal Japan and the development of the Ryu and life in America and Dave's personal development. This makes for compelling reading and creates a sense of real connection between martial arts of the past and their practise in up-to-date, contemporary times. Lowry writes with his usual candour and ...
