EBOOK: Bad Education: Debunking Myths in Education (UK ...

"As education policymakers it can be difficult to resist the comfort of our own experience and gut instincts or the lure of populism. Bad Education is an invaluable myth-buster that tears down common misconceptions and serves up hard facts in their place. This is a politically unpalatable guide to the evidence that will challenge policymakers, the press and parents alike."

Book Review: Bad Education: Debunking Myths in Education ...

Bad Education is an invaluable myth-buster that tears down common misconceptions and serves up hard facts in their place. This is a politically unpalatable guide to the evidence that will challenge policymakers, the press and parents alike."Dale Bassett, Head of Public Policy, AQA "Kenneth Baker describes in his memoirs how education policy was influenced by Margaret Thatcher's hairdresser and possibly her cleaner. More recently policy has been justified by the selective use of research in ...

Bad education: debunking myths in education by Adey ...

The book '50 Great Myths of Popular Psychology: Shattering Widespread Misconceptions About Human Behavior' got 5 stars from me and I think it sets the standard for myth debunking. Having said that, some chapters of 'Bad Education: Debunking Myths in Education' are well worth reading and it is hard not to be convinced that education has a poor track record when it comes to using research appropriately.

Bad Education: Debunking Myths in Education: Amazon.es ...

Bad Education seeks to address some of the most important issues facing education without resorting to the rhetoric of ideologues or detailed statistical analysis. Instead an acknowledged expert in each issue facing education looks carefully at the available evidence. These issues range from how schools are organized, to teaching methods and learning. Each of the issues examined is one that has many 'myths' associated with it. **Bad Education: Debunking Myths in Education : Philip Adey ...** Bad Education: Debunking Myths In Education. por Philip Adey.
