For the most up-to-date technical reference of the five standard dances (Waltz, Tango, Viennese Waltz, Slow Foxtrot, Quickstep), as recognised by the governing bodies of the sport, this book has been superseded by Guy Howard's book "Technique of ballroom dancing" (the latest edition of Howard's book is expensive but old editions can be found on the internet).

Any serious dancer involved in ballroom, country & western, round dancing, etc. should have a copy in their collection and consider this book their basic primer on technique

and terminology for partner dancing, footwork, etc. I ordered this book to find that it was the 4th Edition, however I have a later 1975 edition that seems to have some modified content.

The tango is a standard dance in international ballroom dancing. This version was developed in England before WWII, mainly as a result of the work of Monsieur Pierre, a French dance teacher who lived in London. The Tango is now danced in international

competitions to a style first set out in English ballroom texts and regulations. Other sources. Thompson, Robert Farris 2005. Tango: the art ...
