Bamboos (Prosea 7), No.7 (Hardcover): S. Dransfield, E.A ...

There are no fossil evidences of bamboos. Sexuality and its function in plants is an important strategy to generate genetic variation but many bamboos do not have a regular reproductive cycle. More critical studies are needed to analyze the implications of the present reproductive methods known in bamboos including absence of seed set, ineffective pollination, fertilization and other related ...

On March 14, 1990 the PROSEA Foundation was established under Indonesian law with an international charter and seated in Bogor. PROSEA Foundation is an autonomous, non-profit, international agency, governed by a Board of Trustees. This change in structure will naturally bring about changes in the style of management of the project. First, whereas under the previous arrangement the project ...
