9781438003399 - Barron's IB Biology by Camilla C. Walck Ph.D.

However, if you are also preparing for AP or SAT Biology, I suggest you to purchase this one as the general tone and structure of the book resemble those written for American tests so it is very easy to consolidate Barrons version of IB bio with what you learn from a generic SAT book. In short, a book in between IB and SAT style useful for laying out the foundation.

Barron's IB Biology: Amazon.it: Camilla Walck: Libri in ...

This IB Biology study guide is much cheaper than the Oxford IB Biology study guide, and it shows. There is much less material covered and far fewer practice questions. The summary charts are good. The paper is newsprint compared to the nice thick paper of the Oxford guides. It is okay for the price. Hopefully, Barron's will improve the quantity and quality of the questions in subsequent editions.
