Battle for the Mind. Give me just one generation of youth, and I'll transform the whole world. Vladimir Lenin. The education of our children is a matter of vital concern to everyone. Generally speaking, liberal/progressives wish the state to have almost total control over the schooling of our youth. Through this control they promote their progressive world view. For example, in California ...

Here are some ...

Battle for the Mind - Big Boys Don't Cry

The battlefield is our mind, not our circumstances. As the Father of Lies, he knows that deception is an effective tactic. His goal is to influence our thoughts because how we think determines our attitudes, emotions, desires, and actions. Therefore, he seeks to twist our thoughts in order to gain a foothold and wreak havoc in all areas.

The second thing to learn in this battle for the mind is guarding your mind from garbage. The old cliché from the early days of the computer — GIGO, garbage in/garbage out — is still true today. If you put bad data into a computer, you will get bad results out. If you put mental garbage into your mind, you will get garbage out in your life. Proverbs 15:14: "A wise person is hungry for knowledge, while the fool feeds on trash" (NLT). That might be a good verse to write on a Post-it ...

The Battle for the Mind is one of those books that transformed understanding—in this case of how the physiology of religious conversion, brainwashing, and submission to totalitarian leaders was highly similar or even the same. Of course, later thinking has become more sophisticated and developed, but this remains a clear and persuasive account, and represented a breakthrough in understanding when it was first published.
