The king of the battlefield is the BattleMech, but a myriad of other military units bring additional fun to any game, from combat vehicles to infantry to aerospace units and more

BattleTech | Catalyst Game Labs

BattleTech is a science-fiction “space opera”: a factional, militarized universe set in the thirty-first century, a future where humanity has spread to the stars and spawned titanic interstellar empires, each nation controlling hundreds of worlds across a region of space stretching a thousand light years and beyond. Initially published over thirty years ago as a tabletop board game ...
