Field Manual: ComStar - BattleTechWiki

ComStar (ComStar) is a faction in Battletech. Background [edit | edit source] ComStar, the institution and religion, grew out of the Star League Department of Communications, as reenvisioned by Jerome Blake, Minister of Communications. ComStar is transnational, beholden to none of the Successor States, and its priesthood exclusively controls access to the only means of faster-than-light communications, the HyperPulse Generators. ComStar facilities and personnel are sacrosanct, a ...

Comstar on the field :: BATTLETECH General Discussions

The ComStar field manual is a useful roleplaying resource, with the unit histories similar to those found in all of the field manuals. I find that it is somewhat less useful than the others, if only because it tries to do too much. The book wastes space explaining 4 different organizational systems (Com Star, Star League, Rasalhague, and Clan). The other manuals had more focus, whereas this appears to be an attempt to throw in every remaining non-great house faction. Can't really blame FASA ...
