A BEND IN THE ROAD was a surprise in that it keeps a sense of mystery going throughout, often leaving the main couples love story and allowing us into the mind of the anonymous "bad guy". Slowly unravelling their story until the shocking big reveal at the end. I honestly didn't know how Sparks was going to wrap things up with this one, his couples doesn't always end up together and that too ...

A Bend in a Road is a gripping read. It is a story of Miles Ryan and Sarah Andrews with a backdrop that is quite complex but still quite emotionally captivating. Just like every other Nicholas Sparks romance novel, this too has a well-hidden secret that could burst the bubble of the passion between the two.
