work study - Traduction française - Linguee

Only those determined to have the financial need are able to get work-study jobs. Work-study jobs are part-time and usually pay minimum wage. They can be either on campus or off campus. Students who don't qualify for work-study positions may still be able to find on-campus jobs through their school's student employment office.

Work-Study Jobs: What Are They? - The Balance Careers

French capital Paris was the number one student city for four consecutive years until 2017 and is now ranked fifth among the best places to study abroad in 2018. It's also second, just one spot behind London, in the rankings indicator, with a whopping 18 internationally ranked universities to choose from, including ENS Paris at 43 rd in the world.

10 Best Countries to Study Abroad - HeySuccess

For students who have more energy earlier in the day, studying in the morning may work best, when the brain is better able to focus. Students who study during the day benefit from a refreshed and energized mind after a good night's sleep. This energy makes it easier to focus on what is being learned, and absorb the information more effectively.
