Greyhound Betting Systems That Win - YouTube

Betting on Trifecta - This bet has one of the highest payoffs throughout all of greyhound betting, while also being one of the most popular. This is simply due to the fact that to win it you would need to be very proficient in greyhound racing while also having a bit of luck on your side. Trifecta wager will pay off if three selected greyhounds finish 1st, 2nd, and 3rd in the same race, exactly in the predetermined order.

Greyhound Betting Systems That Win | Why should I pay ...

Betting systems that target anything other than horse racing or football are already in the minority, but what sets this apart from other greyhound racing systems is that it uses progressive staking. A few horse racing systems use progressive staking, are very successful and have stood the test of time, but this is the first time I've seen this approach applied to dog racing.

Greyhound Betting System | Cash Master

He also uses systems and angles. Today we have a method that capitalises on a known factor in greyhound racing that because of his research Shane has been able to make it into a winning system. The following is one example of the profitable methods which were published in the Betting Insiders Report in a series of articles written by Shane.

Betting Systems from Tony Gibson - Horse Racing Systems ...

Greyhound racing is probably the best system under which a punter in Australia can risk - or rather, invest - his hard earned dough. To my way of thinking there is nothing so good as a standout "good thing" at the dogs. To have a top dog in its best box on the rails, knowing it is a good beginner and that it's fit, is a solidly reassuring base from which to launch a savage assault (cash wise ...

TOP DOG + TOP BOX = TOP BET - Practical Punting

A number of greyhound racing punters use a systematic approach to their greyhound betting. Greyhound racing systems come in a variety of forms, some built on years of research and statistics, and other based on fairly random criteria. A number of the greyhound systems I seem to come across involve a stop at a winner strategy. While this isn't a recommended approach, it is one that is more ...
