Hoyle followed The Black Cloud with another science fiction novel, *Ossian's Ride* (1958); this attracted the interest of Norman James, a BBC designer keen to move into television production, who contacted Hoyle with a view to obtaining the rights to the novel. In discussion with the writer, James learned that Hoyle was interested in writing an original story for television. James contacted John ...

### **Amazon.com: The Black Cloud by Fred Hoyle**

Fred Hoyle’s 1957 novel The Black Cloud was the first novel by the renowned, perhaps now forgotten (because his big ideas turned out to be wrong), astronomer of the mid-20 th century. It’s still his most famous, and likely best, novel, out of some nearly 20 novels he would subsequently write, some in collaboration.
