This is a thorough history of women's political involvement from the revolution through the mid-1990s. It also addresses issues of women's changing personal lives. The main focus of the book is on the lives, work, and activism of white, middle class, heterosexual women. The author makes a concerted effort to include discussions of Black, immigrant, Native American, and poor women, as well as lesbians; in most cases, however, these discussions remain a footnote. Nevertheless ...

### **Born for liberty : a history of women in America**

America Empire of Liberty Book Summary : It was Thomas Jefferson who envisioned the United States as a great 'empire of liberty.' In the first new one-volume history in two decades, David Reynolds takes Jefferson's phrase as a key to the saga of America - helping unlock both its grandeur and its paradoxes. He examines how the anti-empire of 1776 became the greatest superpower the world has seen, how the country that offered liberty and opportunity on a scale unmatched in Europe nevertheless ...
