Kennedy And Rose On The Law Of Salvage PDF

The law of salvage is a principle of maritime law whereby any person who helps recover another person's ship or cargo in peril at sea is entitled to a reward commensurate with the value of the property salvaged. Maritime law is inherently international, and although salvage laws vary from one country to another, generally there are established conditions to be met to allow a claim of salvage. The vessel must be in peril, either immediate or forthcoming; the "salvor" must be acting ...
