Bringers Of The Dawn Teachings

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent ...

Bringers of the Dawn by Barbara Marciniak

Bringers of the Dawn is an inspiring and informative read for those who may forgot who you are and why you are incarnated upon Earth at this time. The book is assembled from more than four hundred hours of channeling by Barbara Marciniak, who conveys to us the teachings of the Pleiadians, a group of enlightened beings and members of the family of light from the star system, the Pleiades. These beings are here to assist us in discovering how to reach a new stage of evolution or the more appropria

Bringers of the Dawn: Teachings from the Pleiadians by Barbara Marciniak. This book is so inspiring and the message is beautiful beyond words. Even if you do not understand channeling, the message is comforting. It feels intuitively right and true. Every once in a while I find myself reading short passages of this book and I will probably read it a couple more times throughout this lifetime. We are love and we are loved and thanks to Barbara and the Pleiadians, I am not afraid anymore.

Bringers of the Dawn is a lovely story, a kind of inspiring fairy tale. Is it true? Who

knows? I first read it back in 2006 when I was more mesmerized by New Age Concepts. I still celebrate the overall concept of the Pleiadians, whoever they are, recommending that we need to become more conscious. But for me all my years of reading new age fairy tales - well, lovely as this book is, I can't say it helped me become more conscious. It has only given me a lot more concepts in the way of ...
