Business and Society case study. The case follows: Glen reviewed his notes on the events of the past week. Chuck was clearly a hero within TechAction and the community. Even though the high-tech retailer was growing by leaps and bounds, they had been plagued by robberies. Not just random robberies, these guys had figured out all the weak points in TechAction's logistics. They would show up ...

Business & Society publishes new scholarship based on original research. The journal will consider a wide range of theoretical, empirical (quantitative and qualitative), normative, and methodological submissions. The journal publishes both full-length articles and shorter-length research notes. Commentary pieces and rejoinders are considered on an individual basis.
