Business & Society: Ethics, Sustainability & Stakeholder ...

The authors effectively balance strong coverage of ethics and the stakeholder model with a new focus on one of business's most recent, urgent mandates: sustainability. This edition's new sustainability clearly reflects the interconnectivity between business and the natural, social, and financial environments, illustrating how all three must be maintained in balance to sustain current and future generations. A wealth of new real business cases and "Ethics in Practice" cases blend with ...
