Zamecnik helped embody the integration of popular music with traditional forms, broadening the audience for these forms of music, and sometimes subliminally reaching them through their exposure to it in the movie houses. His work also underscored, literally, how important the proper music was to setting a mood for a particular moment in a movie, rather than just a hodgepodge of popular tunes ...

Sam Fox Moving Picture Music, Volume 1 (J.S. Zamecnik, 1913) is a music book for beginning and intermediate pianists who play for silent movies. Classical piano training rarely includes learning to improvise, so the many pianists who played in theaters relied on reading or memorizing piano classics and modern popular songs and ragtime.
