Capturing Light in Watercolour by Marilyn Simandle (1997 ...

Watercolor "light" is, in essence, the white of the paper contrasting with the shapes and colors of your washes. In this book, you'll learn how to make the most of this powerful relationship. By working through a series of step-by-step demonstrations - each building on the one before it - you'll gain a practical understanding of how to design your paintings - and plan the

Capturing Light in Watercolour: Amazon.co.uk: Simandle ...

A wonderful book, a "must" for everyone who like bright, light, sparkling and fresh watercolor paintings. M Simandle teaches you really how to capture light and how important it is to use, as she calls it, "broken color" - many, many fragments of bright pigment, sparkling and contrasting with the white of the paper. A book that I HIGHLY RECOMMEND.

Amazon.com: Customer reviews: Capturing Light in Watercolor

Marilyn Simandle is an internationally known oil and water color painter. At the age of six, and learning from her mother, a musician and painter, Marilyn started painting watercolors. She has always known that she would become a professional artist. After receiving her BA Arts Degree from San Jose State University along with decades of discipline and dedicated practice, Marilyn has gone on to share her inspirations with the world. She is credentialed as a Master with OPAM, NWS, and AWS (Oil ...
