### **Saying Goodbye: A Casebook of Termination in Child and ...**

"McClure and Teyber have written an excellent casebook that analyzes mental health problems that children and adolescents may experience. Importantly, the analysis is embedded within a cultural context. The casebook reviews symptoms and causes of disorders and then presents cases that illustrate key points in the discussion. The cases are explored with depth, and the rationale for using certain treatment strategies are thoughtfully discussed within a cultural context. This book is ...

I recommend this casebook to all child and adolescent experts because 'saying goodbye' is such a vital experience in growing up." - Albert J. Solnit, M.D., Yale Child Study Center "In this much-needed and admirable collection of papers, termination of psychoanalytic treatment is addressed from many different perspectives. Dynamically linking termination to separation processes, reactions to loss, and the capacity to mourn, the book delineates, from the fresh perspective of termination issues ...
