China and the Christian Impact was published in 1985 as the English translation of Jacques Gernet's *Chine et christianisme* of 1982. It received considerable attention from academic circles dealing with China and the Jesuit mission, mainly because of its approach to the subject from an almost exclusively Chinese point of view.

Cross-cultural differences in norms, values, and beliefs abound and impact preferred conflict resolution strategies. Potential differences in values and subsequent conflict resolution strategies can exacerbate the underlying conflict unless they are well understood. We study the case of differences in conflict resolution strategies between the United States and Mexico as well as studying the ...

By Michelle LeBaron July 2003 Culture is an essential part of conflict and conflict resolution. Cultures are like underground rivers that run through our lives and relationships, giving us messages that shape our perceptions, attributions, judgments, and ideas of self and other. Though cultures are powerful, they are often unconscious, influencing conflict and attempts to

### **Culture and Conflict | Beyond Intractability**

Just as in the recent times, the early Christian church had conflicts with religions and cultures that do not share same doctrines with it. In line with this view, Boer (1976) says that the early Christian had bitter conflicts with the authorities that arose over how precisely to confess what the church believes about the person of Jesus Christ ...
