Chronicle Compilation Called Patriarchal Nikon Chronicle

a 16th-century Russian chronicle codex. It was named after the patriarch Nikon, to whom one of the copies belonged. Most of the chronicle was probably compiled in the 1520's and 1530's in the scriptorium of Metropolitan Daniil. It is an extensive compilation based on many sources, some of which have not survived. Revising the existing historical material, the compilers depicted the princes of Moscow, allied with the church, as having played the dominant role in the formation of the ...

Nikon, born Nikita Minin was the seventh Patriarch of Moscow and all Rus' of the Russian Orthodox Church, serving officially from 1652 to 1666. He was renowned for his eloquence, energy, piety and close ties to Tsar Alexis of Russia. Nikon introduced many reforms which eventually led to a lasting schism known as Raskol in the Russian Orthodox Church. For many years he was a dominant political figure, often equaling or even overshadowing the Tsar. His liturgical reforms were unpopular among conse

Patriarch Nikon of Moscow - Wikipedia

Patriarch Nikon was the seventh Patriarch of all Russia. He initiated religious reforms that split the Russian Orthodox Church, leading to the formation of the 'Old Believers' movement. Early years. Nikon was born into a peasant family in Central Russia. His mother died shortly after he was born, so his father married another woman. The stepmother had children of her own, and was very abusive to Nikon, frequently beating him and depriving him of food. Eventually, he ran away from home ...

The Nikon story actually starts in 1948, the year that the Nikon I, the company's first camera was released. This story is told in the following twelve articles—somewhat eccentric, but thoroughly enjoyable—that chronicle the history of Nikon's brilliant and legendary cameras. The articles weave in and out of history while reviewing the cameras in a contemporary context. Unlike an ordinary ...
