### **European urbanization, 1500-1800 (Book, 1984) [WorldCat.org]**

For anyone interested in cities and urbanization, this book is a model of scholarship. DeVries assembled credible data on European city size at 50 year increments from 1500- 1800 through exhaustive research. The conceptual and analytic underpinnings of this book are brilliant. It deserves to be widely known.
