Times Square, square in Midtown Manhattan, New York City, formed by the intersection of Seventh Avenue, 42nd Street, and Broadway. Times Square is also the centre of the Theatre District, which is bounded roughly by Sixth and Eighth avenues to the east and west, respectively, and by 40th and 53rd streets to the south and north, respectively.

Times Square | Location, Description, History, & Facts ...

A town square (or city square, urban square, public square or piazza) is an open public space commonly found in the heart of a traditional town used for community gatherings. Related concepts are the civic center, the market square and the village green.. Most town squares are hardscapes suitable for open markets, concerts, political rallies, and other events that require firm ground.

A city located high in the Andes Mountains, Cusco was once the capital of the legendary Incan Empire. Not much is known about the city's origins, but it is believed that it was built in the image of the puma, an animal sacred to the Incas. Either way, it is clear that the city was constructed in adherence to distinct urban planning.
