ERIC - ED451274 - Classroom Diversity: Connecting Curriculum to Students' Lives., 2001 These papers examine the sociocultural approach to curriculum design, which provides minority and working class students with the same privileges that middle class students have (instruction that puts their knowledge and experiences at the heart of learning).

Classroom Diversity: Connecting Curriculum to Students' Lives.

"Classroom Diversity" takes a "sociocultural" approach to curriculum design, which provides minority and working-class students with the same privileges that middle-class students have always had: instruction that puts their knowledge and experiences at the heart of their learning.

Classroom Diversity: Connecting Curriculum to Students ...

Classroom Diversity: Connecting Curriculum to Students' Lives. Ellen McIntyre, Ann Rosebery & Norma González (editors) Portsmouth, NH: Heinemann Pp. vii + 134 ISBN 0-325-00332-7 US \$19.00. Typically, teachers begin lessons through attempting to identify what the students know. In attempting to match background knowledge with lessons, teachers work from their knowledge of the students which may in part rely on assumptions about the students' background knowledge base. When teachers do ...

Classroom Diversity: Connecting Curriculum to Students' Lives

Classroom Diversity takes a "sociocultural" approach to curriculum design, which provides minority and working-class students with the same privileges that middle-class students have always had: instruction that puts their knowledge and experiences at the heart of their learning. It presents both the theoretical framework for linking students' lives with curriculum and specific strategies from teachers who have done so successfully. Their stories show African American, Haitian ...
