Colonial Records Of South Carolina

COLONIAL RECORDS: South Carolina holds one of the finest collections of colonial records for the Proprietary Period (1670-1721). Preserved in the state archives, but only partially indexed and written in seventeenth century script, these official record books of the province are a challenge to use, particularly on microfilm, and have been underutilized by historians and researchers. Abstracting these volumes has become a project of historians and researchers

The Colonial and State Records of North Carolina has been an extraordinary resource for students of North Carolina's history for over one hundred years. The series includes documents and materials from throughout the country and from several European repositories covering the earliest days of North Carolina's settlement by Europeans through the ratification of the United States Constitution.

Documenting the American South: Colonial and State Records ...

The history of the colonial period of South Carolina focuses on the English colonization that created one of the original Thirteen Colonies. Major settlement began after 1651 as the northern half of the British colony of Carolina attracted frontiersmen from Pennsylvania and Virginia, while the southern parts were populated by wealthy English people who set up large plantations dependent on ...

Online Records - South Carolina

The Colonial Records of North Carolina were issued in ten (10) volumes from 1886 to 1890 and were edited by William L. Saunders, Secretary of State of North Carolina from 1879 to 1891. This important set of books contains transcribed versions of documents found both within North Carolina and in England, covering the period of 1662 to 1775. Mr. Saunders kept numerous documents in his office - the Secretary of State was responsible for safekeeping the records of the General Assembly and other ...

Online Research | SC Department of Archives and History

The second volume of the Proprietary Records of South Carolina series, titled Abstracts of the Records of the Register of the Province, 1675-1696, was published in the fall of 2006. This volume sheds light on colonial life through the early land records for Charles Towne and the surrounding Lowcountry.

Abstracts of the Records of the Register of the Province ...

Despite the existence of counties, judicial districts, and parishes at various times in the colonial period of South Carolina, all South Carolina probate records prior to 1781 were maintained in a single repository in Charleston. Abstracts of colonial wills have been published in various places and are discussed later in this chapter.
