Color Atlas Of Hematology: An Illustrated Field Guide ...

In the foregoing resides the unique strength of The Color Atlas of Hematology, based as it is on decades of proficiency testing. The experience of the proficiency testing survey, for the surveyor, provides insight into areas of difficulty that may not have been anticipated, providing an impetus for elucidating particularly difficult distinctions. An atlas might have achieved equal breadth, depth, and visual beauty without it, but proficiency testing provides a kind of awareness, intuitive to ...
