Compustar Remote Start Installation

[Compustar Remote Start Installation](#)

Compustar Remote Start Installation

The following installation manual is intended for experienced and authorized remote start technicians. This is not a tutorial on how to install. We highly recommend that you contact your local Firstech dealer and seek professional installation. Call 888-820-3690 or visit our website at www.compustar.com to locate your nearest dealer.

Installation Manual - Compustar

A remote start system consists of two key components: a control module and a remote transmitter. The module is installed in your vehicle, and the remote transmitter is what you use to start your car. These remotes can come with a variety of features.

Compustar makes remotes that can start your car from up to 3-miles away!
